Event Point, LLC	\$17,450.00
After Hours Production	\$15,002.00

Councilman Greene made a motion to accept the low bid. Councilman Paige seconded. All were in favor.

Race Track Update (Noise Ordinance): City attorney Tim Tanner advised the council he has been reviewing noise ordinances of other communities that have similar venues. While such venues can be beneficial, they can also become a nuisance; therefore, the intent is to try and prohibit the bad effects. He is revamping our current noise ordinance and will have something for the officials to review at the next meeting. He will be focusing on limiting the amount of noise at certain times of the day. Realizing that certain areas deserve more protection than others, such as residential versus commercial, the ordinance can be broken down by zoning districts. He stated that any input in the interim would be greatly appreciated. Mayor Duke stated that the new manager of the race track came by to see him today and indicated that it's his desire to work with the City of Adel and he doesn't want to work past 11:00 or 12:00 at night. He would also like to meet the council when we go back to in-person meetings. Mayor Duke further stated they will be having a large event beginning next Tuesday that will run through the weekend.

There was no further business and the meeting was adjourned.
